We do legal education like nobody else

Proudly bilingual; rigorously bijural: McGill Law sits at the epicentre of two major legal traditions of the western world—the civil law and the common law. From its earliest days, McGill has been a bridge between these two traditions. The McGill program is a global model for legal education that adapts to the changing shape of our world without borders.

And now, we are pushing things even further.

Legal education at McGill explores legal traditions through a comparative, integrated lens that is unique around the world.

The McGill curriculum features multiple opportunities for problem-based learning, translation of knowledge into action, and the development of skills that are critical to engaged, effective, and enlightened jurists.

An integrated education

1. designed to work across the traditional boundaries of first-year coursework
2. in French and English
3. that builds on an expertise in the civil law and common law, broadened to include other legal traditions, including better understandings of Indigenous law, as well as cutting-edge scholarship in alternate dispute resolution

A focus on problem-solving

1. Students work in groups to tackle issues in legal methodology and ethics, empirical research, and policy analysis
2. A revised semester timetable makes space for one-week intensive teaching periods during the fall and winter terms

Innovative pedagogy that flips the script and

1. allows you to take the lead in your own education
2. uses technology in modernized classrooms to enhance participation and critical reflection

The original and critical vision that characterizes legal education at McGill is a springboard for those whose ideas will change the world of business or civic society.

Above all, the Faculty prides itself on developing agile thinkers, conscientious citizens, and global-leaning, forward-looking jurists for the 21st century.

McGill Law. It's a world class move.

McGill offers Aboriginal students the opportunity to study and do research with a wide range of legal scholars in English and French. The Faculty is host to a vibrant Aboriginal Law Students' Association, the activities of which have included guest speakers, conferences, visits to the Supreme Court of Canada to witness hearings on Aboriginal rights cases, as well as visits to First Nation communities to discuss contemporary legal issues with Aboriginal authorities.

McGill also gives Aboriginal students the possibility of acquiring practical experience working at the Legal Clinic in Kahnawake, to participate in the Faculty's High School Outreach Program with the Kahnawake Survival School, as well as the chance to participate in the national Kawaskimhon Moot. Students can spend a term away to partake in the Intensive Program in Aboriginal Lands, Resources, and Governments at Osgoode Hall Law School, and the Indigenous Peoples and Policy Program at the University of Arizona.

Aboriginal students may be eligible for numerous sources of financial support. For more information, see www.mcgill.ca/fph/current-students/scholarships-and-bursaries.

McGill's *First Peoples' House* provides a sense of community and a voice for Aboriginal students who have left their communities to study at McGill. A "home away from home," First Peoples' House offers a mentoring program, computer facilities, guest lectures, elder visits, academic counselling, and an e

Your application status, an indication of “Items outstanding” means that your application is incomplete. **If your application is not complete after the deadline for submission of supporting documents, your application will be cancelled.** An indication of “Ready for review” means your file is complete and/or under review by the Admissions Committee. Your status will indicate “Ready for review” until a final decision is made.

- Your file will not be cancelled if only your LSAT score is missing after the deadline. The status of your application will indicate “Items outstanding” until we get your score. If writing the LSAT, your file will be circulated for review by the Admissions Committee only when all pending LSAT results are received.

During peak periods (i.e., close to deadlines), the Admissions Office receives a large volume of applications and there may be a delay of up to 48 hours between the receipt of a document and the date on which it is recorded in our information system. Please be aware that the date of receipt is not the date of consideration, please contact the Undergraduate Admissions Office only if your application is incomplete 48 hours past the deadline.

2.2.2.8 **Applicants to Upper Years**

Applicants **must upload** supporting documents via *Minerva* after having completed the online application (after having received the acknowledgment notice via email). Not all documents may be uploaded via *Minerva*. See [section 2.2.2.8.1: Uploading supporting documents](#) below.

Supporting documents required for all categories of applicants (unless otherwise indicated):

- [section 2.2.2.8.3: Transcripts](#)
- [section 2.2.2.8.4: Personal Statement](#)
- [section 2.2.2.8.6: Résumé](#)
- [section 2.2.2.8.7: Letters of Reference](#) (not required for Exchange students)
- Letter of Permission/Nomination (Visiting and Exchange students only)
- Final decision from the *Comité des équivalences* of the *Barreau du Québec* or the *Chambre des notaires du Québec* (*Comité des équivalences* applicants only)
- Photocopy of passport (Exchange students only)

The Admissions Office will obtain LSAT results directly from the Law School Admission Council for those candidates who have taken, or plan to take, the LSAT.

After completing the online application, candidates must ensure that required supporting documents are uploaded via *Minerva* (or, if necessary, mailed directly to the Admissions Office at the Faculty of Law). Documents sent by mail must be postmarked or delivered on or before the dates listed in [section 2.2.2.7: Application Deadlines for Law Undergraduate Programs](#). Documents sent by fax or email will not be accepted, unless specifically indicated in the instructions for document submission. See [section 2.2.2.8.7: Letters of Reference](#).

During peak periods (i.e., close to deadlines), the volume of document intake is extremely high (over 1300 applications yearly) and there may be a delay of up to 48 hours between the receipt of a document and the date on which it is recorded in our information system. Taking this delay into consideration, candidates should contact the Undergraduate Admissions Office only if their file remains incomplete 48 hours past the deadline for supporting documents.

Documents submitted to McGill University in support of an application to be admitted, including, but not limited to transcripts, diplomas, letters of reference, and test scores (in paper or electronic format), become the property of McGill University and will not be returned to the applicant or forwarded to another institution.

2.2.2.8.1

You **must** upload your supporting documents rather than mailing them. Uploading your documents saves you time, effort, and the expense of mailing transcripts and supporting documents to us. It prevents delays normally incurred in the processing of paper documentation, allows you to associate your documents with the correct application and requirement, and assures that your documents have been received.

Documents that can be uploaded via Minerva	Number of uploads allowed
Unofficial transcripts	Updated version accepted
Personal statement	One
Resumé	Updated version accepted
Letter of extenuating circumstance (if applicable)	One
Part-time letter (if applicable)	One

Please see the instructions at www.mcgill.ca/applying/nextsteps/documents/upload. Documents that have been successfully uploaded to an application do not need to be sent by mail.

2.2.2.8.3

Applicants must submit a complete academic record from all previous university studies, as well as subsequent transcripts that become available from the time of application until the applicant has received the Admissions Committee's final decision.

Applicants have three different ways to submit their transcripts:

Transcripts for studies undertaken in Quebec universities may be submitted electronically via the BCI (*Bureau de coopération interuniversitaire*, previously known as CREPUQ) system. Applicants have to contact the registrar of their home university and ask for this arrangement.

Applicants may and are strongly encouraged to upload all their transcripts via Minerva. Transcripts received in this manner are considered unofficial. Applicants will only be asked for official transcripts (sent to us via the BCI system or by mail in an envelope sealed by the registrar of the issuing institute) if and when offered admission to the program. Our offer of admission will be contingent upon the receipt and verification of these official documents. If you have uploaded unofficial transcripts, you are not required to submit official transcripts until we request them from you.

1. **BCI transcripts:** Applicants need not submit paper-based official transcripts of studies undertaken in Quebec universities to the Admissions Office if these transcripts are submitted electronically via the BCI (*Bureau de coopération interuniversitaire*, previously known as CREPUQ) system. Transcripts submitted via the BCI system are considered official.
2. **McGill transcripts:** Applicants need not submit official transcripts of studies at McGill University to the Admissions Office. The Admissions Office obtains these results directly from McGill's Enrolment Services. Applicants who participated in an exchange during their program at McGill must submit a transcript.
3. **Exchange studies transcripts:** Applicants must submit transcripts for results in studies carried out while on exchange, unless the marks as well as the credits obtained are already included on transcripts issued by their home university. Exchange programs should be indicated in the University History form of the online application.
4. **Transcripts not in French or English:** Transcripts in a language other than English or French must be accompanied by an English or French translation provided either by the school issuing the transcript or by a certified translator.
5. **CEGEP transcripts (Permanent Code):** Applicants who are currently, or have been, enrolled at a CEGEP must provide their Permanent Code. Starting **mid-October** each year, McGill will obtain official CEGEP transcripts electronically from the Government of Quebec. The processing of applications for applicants who are currently, or have been, enrolled at a CEGEP will not take place until a valid Permanent Code is provided.
6. **Quebec French Baccalaureate:** Applicants in Quebec French Baccalaureate programs must submit official transcripts.
7. **Winter term transcripts for Transfer students:** Transfer students should forward the official transcript of their Winter term results as soon as they become available. Transfer applications cannot be evaluated without these results.
8. **Transcripts will not be returned:** Transcripts sent to McGill become the property of the University and will not be returned or forwarded to other institutions.
9. **Law School Data Assembly Service:** The Faculty of Law at McGill **does not receive** transcripts through the Law School Data Assembly Service.
10. **French or English language courses:** Applicants should report in the University History form (or the Quebec Collegial Studies form) of the online application any courses taken, outside a degree program, which would contribute to their language competency and submit a transcript or certificate of completion.

2.2.2.8.4 Personal Statement

Applicants must submit a brief essay referred to as a Personal Statement. The following is intended to assist in preparing this document.

What is the purpose of the Personal Statement?

Your Personal Statement allows the Admissions Committee to understand the factors that motivate you to pursue a legal education, the particular meaning that the study of law holds for you, and the reasons for your interest in our program. In addition, your Personal Statement shows the Admissions Committee your writing style, your ability to present your ideas in English and/or French, and your maturity and judgment as shown through your writing.

What is the Admissions Committee looking for in reading your Personal Statement?

Members of the Admissions Committee are interested in what you will bring to the study of law and to our learning community, and how you will benefit from the study of law. They look for indicators of intellectual curiosity, community engagement, political/social insight, leadership skills, ability to work with others, openness to diversity (cultural, linguistic, and otherwise), maturity, judgment, and potential for development through opportunity or adversity. On the latter, you may describe your experience as a member of a minority group, or factors that may have made access to a university education difficult. Also, if you are a Mature category applicant, you should discuss the relevance of your past experiences to your current motivation(s) for the study of law, and the reasons for doing so at this point in your life. Ultimately, and what

2.2.2.8.5 Extenuating

Serious medical or personal difficulties may have had an impact on an applicant's academic performance. If this is the case, the applicant should submit a separate letter and provide supporting documentation as appropriate. To be able to upload a letter of extenuating circumstances via Minerva, applicants must answer "Yes" to the question related to extenuating circumstances in the online application. As opposed to what is indicated in the online application, please

Civil Law Immersion Courses

The Major Concentration in Commercial Negotiation and Dispute Resolution is articulated around a synthetic skill set driven by the transversal theme "Commercial Negotiation and Dispute Resolution" and is inspired by an interdisciplinary approach.

Law and non-law courses are combined with the practical experience acquired during an internship. The required writing of an independent essay allows students to integrate the various academic and clinical strands of the major program, and, more broadly, of legal learning.

The Major concentration is a 36-credit program. Students are permitted to include within their 105 credits for the B.C.L. and LL.B. 18 credits toward their Major concentration. The remaining 18 credits needed for the Major concentration are added on top of the 105 credits for the Law degrees for a total of 123 credits.

2.6.4 B.C.L. and LL.B. with a Major Concentration in International Human Rights and Development (123 credits)

The B.C.L. and LL.B. with a major concentration is open to all students enrolled in the Faculty of Law.

The Major Concentration in International Human Rights and Development is articulated around a synthetic skill-set driven by the transversal theme "International Human Rights and Development" and inspired by an interdisciplinary approach.

Law and non-law courses are combined with the practical experience acquired during an internship. The required writing of an independent essay allows students to integrate the various academic and clinical strands of the major program, and, more broadly, of legal learning.

The Major concentration is a 36-credit program. Students are permitted to include within their 105 credits for the B.C.L. and LL.B. 18 credits toward their Major concentration. The remaining 18 credits needed for the Major concentration are added on top of the 105 credits for the Law degrees for a total of 123 credits.
